

preparing for a **MIRACLE**

Building Excitement!

Expanded Campus | Opening Early 2010

As a church committed to growing in community and going beyond into our community, we are preparing for God's blessing of our expanded campus on Anderson Boulevard. More than 50,000 square feet of beautifully renovated space will accommodate our Children's classes and many adult Community Group Bible Studies each week.

The following furniture, fixtures and equipment reflect a portion of our new facility "Wish List." As stewards of God's blessings in your life, would you consider blessing others through a generous gift as we enter the home stretch of this capital improvement project? Your partnership will help Pantego Bible Church reach its goal of a Grand Opening in early 2010.

Your gifts are completely tax-deductible and may be made by check (designated in the Sunday morning offering or mailed to PBC) or online at www.supportPBC.org.
